HOME DEPARTMENT.

POLITICAL.

Delhi, the 15th December 1924.

No. 2951—2964.—In supersession of the orders contained in the Resolution of the Government of India in the Home Department No. 2831–2842, dated the 8th December 1920, the Governor-General in Council is pleased to issue the following instructions with regard to certificates of identity :—

2. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who owing to embarrassed circumstances are unable to complete their course of education cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other attentions.

Those who are desirous, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of respectability, is not sufficient to ensure that a passport will be granted.

Form of Certificate of Identity.

1. Name of applicant_____
2. Father's name and caste_____
3. Residence_____
4. Age of applicant_____
5. Nationality of applicant*_____
6. Social or pecuniary status of father (or guardian)_____
7. Date or probable departure of applicant from India_____
8. Object of applicant's visit to England (Europe).

Signature of District Officer (in a Presidency Town, the Commissioner of Police or Political Officer, or head of school or college.†)

Dated _____

* I.e., whether a British subject by birth or by naturalization (or a subject of a Native State).

† Countersignature of the District or Political Officer should be obtained on certificates signed by heads of schools or colleges.

NOTE.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of right on the sole ground that he is a British subject. The production of a certificate of identity, therefore, will not ordinarily be sufficient to secure the grant of a passport, unless it is supplemented by documentary evidence of respectability, endorsed by a Local Government or other authority competent to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

Simla, the 2nd August 1916.

No. 5637.—The following letter received from the Government of the East Africa Protectorate is published for general information:—

THE SECRETARIAT, NAIROBI,
EAST AFRICA PROTECTORATE,
June 27, 1916.

Sir,

I have the honour to inform you that the Government of British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1906, and the Immigration Restriction Amendment Ordinance, 1910, copies of which are enclosed herewith.

2 Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 5 (a)* might be permitted to enter the Protectorate on payment of a deposit according to nationality. † In the course of time this restriction was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of the deposit.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This concession has led to abuse and is itself objectionable inasmuch as the deposit prescribed by section 11 of the Ordinance of 1906 is payable before landing and if this section is read together with section 3 (1) of the amending Ordinance of 1910, it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect as from the 1st of September 1916 and I have the honour to request that steps may be taken to make this procedure known in those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of this Protectorate will not hold itself responsible for any expenditure thus incurred.

I have the honour to be,
Sir,
Your most obedient servant,

C. C. BOWRING,
Chief Secretary to Government.

Local Governments and Administrations are requested to make the intimation contained in the letter as widely known as possible, particularly in places from which emigration to British East Africa is believed to be most common. Intending emigrants should also be warned of the risks they run in proceeding to the Protectorate if they are unable, before landing, to deposit the sum of Rs. 50, or to comply with the demand for the requisite security in lieu of the deposit.

Secretary to Government.

The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since 1st January is 6·67 inches, the average due for the same period being 6·91 inches.
